Novice Elementary	6th grade and below	female/male	5-30 members

The competitor has to be in the grade for the appropriate division for the 2018-2019 school year.

\*For High School Open divisions, athletes younger than 9th grade will be allowed to participate if they are enrolled in the school they are representing, are recognized as full time cheerleaders for that school and receive written permission from Varsity Louisville prior to the competition.

All School Cheer teams will compete on a non-spring floor.

The US Finals reserves the right to split/combine divisions as deemed appropriate.
