**Indianapolis, IN**

**April 7-8, 2018**

**The 2018 General Schedule will be posted on or before 8 PM, Tuesday, March 13, 2018!**

This event spans two days, but teams will only compete once. To give you a general idea of what day your team will compete, we have prepared a VERY TENTATIVE General Schedule below. Please be aware that this General Schedule is subject to change. It is always in your best interest to book travel and hotel reservations that allow you to be present on either day of the competition in the event that divisions have to be moved from one day to another in order to accommodate all the registered teams. As we approach the registration deadline a more solidified General Schedule will be released.
